SPREAD EAGLE.

Have you ever visited Spread Eagle? If not you should lose no time in going and if you have been there you should go again. The famous Spread Eagle Chain o' Lakes consist of nine lakes adjoining, the waters of which are deep and cool and are alive with pickerel, bass and perch. FRED. JOHN, the guide, meets all trains at the landing and has a large number of small boats which are rented at reasonable rates. You can leave town at 7 a. m., and return at 8 p. m., giving you a long day at the lakes, or you can pack up a camping out-fit and make a stay there; a finer place for an outing certainly can not be found. Spread Eagle is but twenty miles from Crystal Falls. Visit the place once and you will certainly like it and go again.

A SOUND LEGAL OPINION.
E. Bainbridge Munday Esq., County Atty., Clay Co., Tex. says: "Have used Electric Bitters with most happy results. My brother was also very low with malarial fever and jaundice, but was cured by timely use of this medicine. Am satisfied Electric Bitters saved his life. Mr. D. I. Wilcoxson, of Horse Cave, Ky., adds a like testimony, saying: He positively believes he would have died, had it not been for Electric Bitters. This great remedy will ward off, as well as cure all malarial diseases, and for all kidney, liver and stomach disorders stands unequalled. Prices 50c. and \$1. at J. E. Bower's."

ON THE DIAMOND.

The Crystal Falls and Iron Mountain Base Ball Clubs Play a Game in this City—The Visitors Suffer Defeat—Score, 10 to 6—Rain Interferes with the Business Men's Game—Resolutions—Notes.

Our business men's club made all arrangements to go to Iron Mountain and have some fun with the business men of that city on Tuesday morning, but on account of the sudden illness of Pitcher Butts, it was decided to postpone the game to some future date, and a telegram to that effect was dispatched to the manager of the Iron Mountain club. Tuesday morning a telegram was received stating that the game had been extensively advertised and to come on the next train. The boys were notified and took the afternoon train for that city, arriving there after three o'clock. We were met at the depot by a delegation of the business men ball players and escorted to a covered carriage and conveyed to the grounds, where the game was commenced at once, with Crystal Falls to bat. Our people made five runs and retired. The home team followed with five and the visitors were next shut out with but two. The Iron Mountains then went in and piled up ten or twelve runs when a dark cloud suddenly came up and brought a large amount of rain with it, which it scattered broadcast, to the great discomfiture of the ball players and spectators alike. It was thought the rain would pass over and the game could be continued, but the storm was evidently there to stay and it was found necessary to call the game. Though hardly two innings were played it was enjoyed very much by all parties concerned and bid fair to be a game without parallel in the annals of base ball. The very best of feeling prevailed on both sides and some of the plays were so extremely ludicrous that the players and audience fairly screamed with delight. Had the game been continued to a finish, it is quite likely the scores would have reached the one hundred notch and the spectators so sore from laughter that it would have been impossible for them to have left the grounds without assistance. The game was umpired by Robert Barclay, of Stambaugh, a gentleman well up in the base ball question. It would have been just the same if he knew absolutely nothing of the game, none of his decisions would have been questioned by either nine. One of the most pleasant things in connection was the fact that the home team did just as they agreed to as regards the game and much not agreed to regarding the manner of treatment. We were treated like kings; the home team doing all possible in their power to make our visit one of pleasure. We had a good time and want to meet the Iron Mountain ball players again soon and often.

The Crystal Falls Business Men's Base Ball club hereby challenges the Florence Business Men's Base Ball club to play a game of ball on Monday, August 20, 1888, for a purse of one hundred dollars. The game to be played on neutral grounds and umpired by a person not a resident of either Crystal Falls or Florence nor having any business interest in either place whatever. It must be understood that this challenge is directed to the men named in Capt. C. C. Olin's letter to our club under date of July 24, 1888, viz: A. Early, E. C. Engles, W. W. Noyes, H. C. Campbell, A. K. Godshall, C. C. Olin, J. F. Hoeking, Chas. Loughrey and John D. Campbell. Our men will be Sumner Hopkins, C. M. Atkinson, J. L. Kimball, A. L. Flewelling, C. T. Crandall, P. Butts, A. Parks, A. Lustfield, A. Austrian, and H. J. Huggitt. By order of the club.
J. L. KIMBALL, secretary.

The Iron Mountain base ball club was here last Sunday and had a very nice time. It was given out that the game would be played in the afternoon, but instead it was called in the forenoon and consequently was witnessed by a comparatively few people. But five innings were played, owing to the fact that the Iron Mountain boys were anxious to reach Stager in time to catch the afternoon train. When the five innings were completed Scorer Lustfield was consulted and it was ascertained that the score stood ten to six in favor of the home team. The Iron Mountain boys play a splendid game usually but on this occasion they made some fearful errors and wild throwing was characteristic of their part of the playing. While on the other hand our boys handled themselves with ease and their playing was sure from all sides. Three very pretty double plays

were credited to the liveliness of our boys. This is the second time this year that Iron Mountain has suffered defeat at the hands of the Crystal Falls team. Our boys played a game at Iron Mountain yesterday.

At a meeting of the Business Men's club held on Wednesday, the following resolutions were unanimously adopted: In consideration of the cordial welcome and many kindnesses extended to us, the members of the Crystal Falls Business Men's Base Ball club, during our recent visit to Iron Mountain, and in due acknowledgement of the obligation which we feel to the many who contributed so generously to the enjoyment and pleasure of our club, we hereby adopt and cause to be published in THE DIAMOND DRILL, the following resolutions:

RESOLVED, That a vote of thanks be extended to the Business Men's Base Ball club, and the citizens generally of Iron Mountain, for their kind reception, liberal hospitality and diligent and untiring efforts to make all comfortable and happy.

RESOLVED, further, That Mr. Fabien J. Trudell be especially remembered for the many kindnesses shown us.

Submitted by the committee on resolutions.
J. L. KIMBALL, secretary.
H. J. HUGGITT, captain.

Elsewhere in this column will be found a challenge to the business men's club of Florence. The Florence people, it is understood, have talked a great deal louder than the occasion warranted and now our gentlemen propose to have them come to the scratch or let up a little on crowing over a game not honestly won. Our people mean business and it is hoped the Florence people have the sand to "see us."

The Iron Mountain business men will play ball with our business men in this city on Monday afternoon next.
